Drivers age 23 - 25 will find that most rental agencies will **require** them to purchase Vehicle Insurance (Collision Damage Waiver or other) impose a surcharge, and have a higher deductible. Vehicle Insurance is purchased and paid for directly with the rental agency when you pick up your vehicle.

For other nationalities, it is your responsibility to ensure your own visa requirements, and no refunds will be awarded for customers denied access for lack of a proper visa.

Traveling with Minor Children: Some countries require the parent(s) of minor children (under 16) to present copies of documents associated with the child's Passport Application in addition to the Passport itself. To prevent any issues with immigration, it is recommended that parents travel with a copy of their child's birth certificate, and refer to <http://travel.state.gov/content/passports/english/passports/under-16.html> for any additional documentation requirements.

! Travel Insurance: We are not responsible for compensating or crediting any traveler for any loss incurred due to medical issues, family emergencies, delays or cancellations. Trip interruption/cancellation insurance is your only protection. We also encourage all divers to have [Dan Master Insurance](#) Plans.

PRE-TRIP PLANNING

Packing Considerations: Casual attire is the norm; evening clothes are casual to casual nice. Although a first supply of shampoo and body soap in the bathrooms is provided, please **bring your own shampoo and conditioner**. Beach towels and all linens are provided except wash cloths. Please bring your own if you cannot do without! Please also bring your own **travel alarm clock**.

We also encourage all guests to bring their own **reusable water bottles**. Bonaire's tap water is one of the purest and safest water sources in the world to drink, so there is no reason to buy bottled water. Your efforts will help keep Bonaire's landfill clear of waste that cannot be recycled.

Your apartment has a full kitchen. Your living area has a TV and CD/DVD player. There is also a pay-per-load washer and dryer on property. The electric voltage in your unit will be both 220 volts with European round plugs and 127 volts 50 cycles with US Standard square plugs, slightly different from the US, though most appliances and battery chargers will operate fine and no transformers or adapters are necessary. (Check your appliance manufacturers' recommendations if in doubt.)

Airline luggage restrictions are constantly changing. Be sure to check your airline's web site(s) for the most current information on baggage allowances and restrictions. For most international flights, any luggage over 50 pounds will have a surcharge and you could potentially be told to remove something from the bag. In most cases luggage over 70 pounds will not be accepted. Domestic flights especially those booked independently of the international flight will most likely have other allowances and restrictions. Best advice is travel light!

In the unlikely event you arrive on Bonaire without your luggage, please make sure you have packed your "trip essentials" in your carry-on bag, such as your **C-Card for diving** or Referral Papers for Dive Courses, a pair of shorts, bathing suit, dive mask, medicine, sunglasses or anything you consider necessary to begin enjoying your stay from the moment you arrive. Inter-island airline passengers should keep in mind that the overhead compartments are very small and most carry-on luggage will need to be checked curbside before boarding the plane.

There are no restrictions placed on bringing fruits, vegetables, meats or other perishables into Bonaire, however the Van Den Tweel grocery store and Warehouse Bonaire among others, carry a wide variety of goods from Holland, the US and South America.

Grocery Stocking Service: Bonaire Seaside Apartments offers a grocery stocking service for orders placed at least 48 hours in advance. Please view <http://seaside.k-dushi.com/wp-content/uploads/2017/04/grocerylist-seaside.xls> for more information on how to pre-order. You can send the form to info@bonaireseaside.com. 15% Service charge and a \$ 15 one time charge will be added to all orders.

IMPORTANT INFORMATION – PLEASE REMEMBER TO TAKE THIS WITH YOU!

ARRIVING ON BONAIRE

Picking Up Your Rental Vehicle: PB Car Rental and most other agencies have offices located on the Airport grounds, on the far left side of the airport parking lot as do most other rental agencies. We **HIGHLY RECOMMEND** that upon arrival, you “divide and conquer,” sending the person or persons who will be authorized to drive your vehicle to complete the contract work, while the others remain and wait for the luggage. If any of the car rental agencies are closed when you arrive, please take a taxi, (approximately \$15.00-\$20.00 to Bonaire Seaside Apartments) and the rental agency will deliver your truck to you the next day if you have pre-booked your car with us.

Driver’s License and Age Requirements: If you rent a car or truck, it will be necessary to produce a valid driver's license and be at least **23 years** of age. Drivers age 23 - 25 will find that most rental agencies will **require** them to (1) have had a valid license for a minimum of two years, (2) Vehicle Insurance (Collision Damage Waiver or other), (3) impose a surcharge, and (4) have a higher deductible.

Truck Rental Voucher: All rental agencies will need to see your voucher. **Please make sure you have your rental truck voucher with you.**

Collision Damage Waiver Insurance: Vehicle Insurance, which ranges from \$11.00 - \$25.00 per day depending on the rental agency, is highly recommended for all drivers. Most credit card companies, auto and home owner insurance policies exclude coverage on truck rentals. (See reference above to drivers ages 23 - 25.) Insurance deductibles range from no deductible to \$1750.00 depending on the rental agency, the type of insurance coverage selected, the type of vehicle rented and if the driver is under 25. Be sure to familiarize yourself with the fine print of your contract and insurance program. Vehicle insurance is purchased directly with the rental agency when you pick up your vehicle. You should also be aware that most rental agencies will post a security deposit/authorization charge to your credit card to cover any vehicle insurance deductible at the time of rental.

Other Charges: Charges ranging from \$5.00 per day and up for additional drivers. Fees may also be applied for the rental of child seats, damage to remote controls, tire replacement and more. Tips: Tipping for good service is customary in Bonaire – 15% is standard. Some restaurants add a service charge automatically. If in doubt, ask. Guests at Bonaire Seaside Apartments might consider tipping housekeepers, dive staff, tour guides or anyone else who provides good service. This will be highly appreciated.

Language: Papiamentu is the local language. Dutch is the official language; however English and Spanish are widely spoken.
